When the fish was caught, Ferguson thought it to be a native rainbow trout - but Coleman and McCormick who have been fishing the James for a number of years said it has them stumped.

How about it, you fishermen - what is it?

BIBLE SCHOOL AT NEW HOPE IN JUNE

There is good news for the young people, ages 1-17 at New Hope. The Vacation Bible School will be a week later than usual this year so that our pastor, the Rev. Deryl Holliday, can be with us instead of being at the Southern Baptist Convention. We hope that each of you will begin now to plan for perfect attendance, beginning with preparation Day on June 15 and continuing that record throughout the week of June 17-21. And don't miss that picnic on June 15, at 11:30 a.m.!

New Hope is fortunate to have so many faithful workers return year after year, with one desire in mind: to make the Bible more interesting, more meaningful, and more appealing to our young people. On the physical side, Mrs. Mary Garrett, Mrs. Tressie Ferguson and Mrs. Irvin Moses plan for and prepare refreshments for the entire Bible School. If anyone is too busy to stop her work when the ladies serve refreshments, one of them will always save a portion for the young person or teacher who is "the cow's tail."

Maybe you have a suggestion about VBS or a change that you'd like to see made; please see the Director or the assistan t if this is true.

Keep your eyes on the **Times-Virginian** for notices about other details of the Bible School. See you next week!
